

CHANGE REQUEST FORM		
<b>Change Description</b>		
Project Name: Club Resource Booking System	Change Name: Making the site open on Search for Bookings Page instead of Home Page	Number: 3
Requested By: Axios	Contact: Berkan Ozturk	Date: 12/04/23
<b>Description of Change:</b> Upon visiting the website, users will be automatically directed to the Bookings Page instead of the Home Page.		
<b>Reason for Change:</b> This change aims to improve the user experience by eliminating the need for users to switch between the Home Page and the Bookings Page, enabling them to book equipment or services quickly and efficiently.		
<b>Priority [Circle One]:</b> 1. High 2. Medium 3. Low		
<b>Impact on Deliverables:</b> The impact of directing users to the Bookings Page instead of the Home Page does not affect other elements; therefore, the impact on deliverables is low.		
<b>Impact of Not Responding to Change (and Reason Why):</b> Ignoring this change can lead to longer booking times, which frustrates the users and possibly drive them away.		
Date Needed: 13/04/23	Approval of Request: Axios	Date: 12/04/23

Change Impact
<b>Tasks/Scope Affected:</b> RD and application implementation must be updated. This change might require further work; however, scheduling remains the same.
<b>Cost Evaluation:</b> N/A
<b>Risk Evaluation:</b> If the home page contains important information that are now less visible on the Bookings Page, this could potentially decrease user engagement.
<b>Quality Evaluation:</b> The requested change will improve user experience as with this change applied, users will be able to reach the desired destination with the reduced number of clicks.
<b>Additional Resources:</b> N/A
<b>Duration:</b> 24 hours
<b>Additional Effort:</b> N/A
<b>Impact on Deadline:</b> This change should be implemented within the allocated schedule and deadline.
<b>Alternative and Recommendations:</b> To ensure comprehensive information coverage on this page, include all relevant and pertinent details, as was done on the home page.
<b>Comments:</b> N/A
